That if in any district the expenses incurred by an urban authority (being improvement commissioners) in the execution of the Sanitary Acts were at the time of the passing of this Act payable out of any rate in the nature of a general district rate leviable by them as such commissioners throughout the whole of their district, then the expenses incurred by that authority in the execution of this Act shall be charged on and defrayed out of such rate; and for the purposes of this section the council of the borough of Folkestone shall be deemed to be improvement commissioners; and

That where at the time of the passing of this Act the expenses incurred by an urban authority in the execution of certain purposes of the Sanitary Acts were payable out of the borough fund and borough rate, and the expenses incurred by such authority in the execution of the other purposes of the said Acts were payable out of a rate or rates leviable by that authority throughout the whole of their district for paving sewerage or other sanitary purposes, then the expenses incurred by that authority in the execution of the same or similar purposes respectively under this Act shall respectively be charged on and defrayed out of the borough fund and borough rate, and out of the rate or rates leviable as aforesaid.

208. Where at the time of the passing of this Act the expenses incurred by an urban authority for sanitary purposes are payable otherwise than in the manner provided by the Local Government Acts, the Local Government Board may, on the application of such authority, or of any ten persons rated to the relief of the poor within the district, declare by provisional order that the expenses of such authority incurred in the execution of this Act shall be defrayed out of a district fund and general district rate to be levied by them under this Act, subject to the provisions of this Act with respect to the mode of defraying in certain cases the expenses of the repair of highways.

established a fund called the district fund: a separate account called "the district fund account" of all moneys carried under this Act to the account of that fund shall be kept by the treasurer of the urban authority; and such moneys shall be applied by the urban authority in defraying such of the expenses chargeable thereon under this Act as they may think proper.

Making general district rate.

210. For the purpose of defraying any expenses chargeable on the district fund which that fund is insufficient to meet, the urban authority shall from time to time, as occasion may require, make by writing under their common seal, and levy in addition to any other rate leviable by them under this Act, a rate or rates to be called "general district rates."

Any such rate may be made and levied either prospectively in order to raise money for the payment of future charges and expenses, or retrospectively in order to raise money for the payment of charges and expenses incurred at any time within six months before the making of the rate: in calculating the period of six months during which the rate may be made retrospectively, the time during which any appeal or other proceeding relating to such rate is pending shall be excluded.

Public notice of intention to make any such rate, and of the time when it is intended to make the same, and of the place where a statement of the proposed rate is deposited for inspection, shall be given by the urban authority in the week immediately before the day on which the rate is intended to be made, and at least seven days previously thereto; but in case of proceedings to levy or recover any rate it shall not be necessary to prove that such notice was given.

Assessment, &c. of general district rate.

211. With respect to the assessment and levying of general district rates under this Act the following provisions shall have effect; (namely,)

(1.) General district rates shall be made and levied on the occupier of all kinds of property for the time being by law assessable to any rate for the relief of the poor, and shall be assessed on the full net annual value of such property, ascertained by the valuation list for the time being in force, or, if there is none, by the rate for the relief of the poor made next before the making of the assessment under this Act, subject to the following exceptions regulations and conditions; (namely,)

(a.) The owner, instead of the occupier, may at the option of the urban authority be rated in cases—

Where the rateable value of any premises liable to assessment under this Act does not exceed the sum of ten pounds; or

Where any premises so liable are let to weekly or monthly tenants ; or

Where any premises so liable are let in separate apartments, or where the rents become payable or are collected at any shorter period than quarterly :

Provided that in cases where the owner is rated instead of the occupier he shall be assessed on such reduced estimate as the urban authority deem reasonable of the net annual value, not being less than two thirds nor more than four fifths of the net annual value ; and where such reduced estimate is in respect of tenements whether occupied or unoccupied, then such assessment may be made on one half of the amount at which such tenements would be liable to be rated if the same were occupied and the rate were levied on the occupiers :

(b.) The owner of any tithes, or of any tithe commutation rentcharge, or the occupier of any land used as arable meadow or pasture ground only, or as woodlands market gardens or nursery grounds, and the occupier of any land covered with water, or used only as a canal or towing-path for the same, or as a railway constructed under the powers of any Act of Parliament for public conveyance, shall be assessed in respect of the same in the proportion of one fourth part only of such net annual value thereof :

(c.) If within any urban district or part of such district any kind of property is exempted from rating by any local Act in respect of all or any of the purposes for which general district rates may be made under this Act, the same kind of property shall, in respect of the same purposes, and to the same extent within the parts to which the exemption applies (but not further or otherwise), be exempt from assessment to any general district rates under this Act unless the Local Government Board by provisional order otherwise direct.

(2.) If at the time of making any general district rate any premises in respect of which the rate may be made are unoccupied, such premises shall be included in the rate, but the rate shall not be charged on any person in respect of the same while they continue to be unoccupied ; and if any such premises are afterwards occupied during any part of the period for which the rate was made and before the same has been fully

paid, the name of the incoming tenant shall be inserted in the rate, and thereupon so much of the rate as at the commencement of his tenancy may be in proportion to the remainder of the said period shall be collected recovered and paid in the same manner in all respects as if the premises had been occupied at the time when the rate was made :

- (3.) If any owner or occupier assessed or liable to any such rate ceases to be owner or occupier of the premises in respect whereof he is so assessed or liable, before the end of the period for which the rate was made, and before the same is fully paid off, he shall be liable to pay only such part of the rate as may be in proportion to the time during which he continues to be such owner or occupier ; and in every such case if any person afterwards become owner or occupier of the premises during part of the said period, he shall pay such part of the rate as may be in proportion to the time during which he continues to be such owner or occupier, and the same shall be recovered from him in the same manner as if he had been originally assessed or liable :
- (4.) The urban authority may divide their district or any street therein into parts for all or any of the purposes of this Act, and from time to time abolish or alter any such divisions, and may make a separate assessment on any such part for all or any of the purposes for which the same is formed ; and every such part, so far as relates to the purposes in respect of which such separate assessment is made, shall be exempt from any other assessment under this Act : Provided that if any expenses are incurred or to be incurred in respect of two or more parts in common the same shall be apportioned between them in a fair and equitable manner.

poor rate books
for purposes of
assessment.

212. For the purpose of assessing general district rates any person appointed by the urban authority may inspect take copies of or make extracts from, any valuation list or rate for the relief of the poor within the district, or any book relating to the same.

Any officer having the custody of any such rate or book who refuses to permit such inspection, or the taking of such copies or extract, shall be liable to a penalty not exceeding five pounds.

Power to make
private im-

rates.

213. Whenever an urban authority have incurred or become liable to any expenses which by this Act are or by such authority may be declared to be private improvement expenses, such authority may, if they think fit, make and

levy on the occupier of the premises in respect of which the expenses have been incurred, in addition to all other rates, a rate or rates to be called private improvement rates, of such amount as will be sufficient to discharge such expenses, together with interest thereon at a rate not exceeding five pounds per centum per annum, in such period not exceeding thirty years as the urban authority may in each case determine.

Provided that whenever any premises in respect of which any private improvement rate is made become unoccupied before the expiration of the period for which the rate was made, or before the same is fully paid off, such rate shall become a charge on and be paid by the owner for the time being of the premises so long as the same continue to be unoccupied.

214. Where the occupier by whom any private improvement rate is paid holds the premises in respect of which the rate is made at a rent not less than the rackrent, he shall be entitled to deduct three fourths of the amount paid by him on account of such rate from the rent payable by him to his landlord, and if he hold at a rent less than the rackrent he shall be entitled to deduct from the rent so payable by him such proportion of three fourths of the rate as his rent bears to the rackrent; and if the landlord from whose rent any deduction is so made is himself liable to the payment of rent for the premises in respect of which the deduction is made, and holds the same for a term of which less than twenty years is unexpired (but not otherwise), he may deduct from the rent so payable by him such proportion of the sum deducted from the rent payable to him as the rent payable by him bears to the rent payable to him, and so in succession with respect to every landlord (holding for a term of which less than twenty years is unexpired) of the same premises both receiving and liable to pay rent in respect thereof.

Proportion of private improvement rate may be deducted from rent.

Provided that nothing in this section shall be construed to entitle any person to deduct from the rent payable by him more than the whole sum deducted from the rent payable to him.

215. At any time before the expiration of the period for which any private improvement rate is made, the owner or occupier of the premises assessed thereto may redeem the same, by paying to the urban authority the expenses in respect of which the rate was made, or such part thereof as may not have been defrayed by sums already levied in respect of the same:

Redemption of private improvement rates.

Provided that money paid in redemption of any private improvement rate shall not be applied by the urban authority otherwise than in defraying expenses incurred by them in works of private improvement or in discharging the principal

of any moneys borrowed by them to meet those expenses, whether by means of a sinking fund or otherwise.

Highway Rate.

- (2.) Where parts of the district are not rated for works of paving water supply and sewerage, or for such of these purposes as are provided for in the district, the cost of repair of highways in those parts shall be defrayed out of a highway rate to be separately assessed and levied in those parts by the urban authority as surveyor of highways, and the cost of such repair in the residue of the district shall be defrayed out of the general district rate :
- (3.) Where no public works of paving water supply and sewerage are established in the district, the cost of repair of highways in the district shall be defrayed out of a highway rate, to be levied throughout the whole district by the urban authority as surveyor of highways :

Provided that where part of a parish is included within an urban district, and the excluded part was, before the constitution of that district, liable to contribute to the highway rates for such parish, such excluded part shall (unless in the case of an urban district constituted before the passing of this Act a resolution deciding that such excluded part should be formed into a separate highway district has been passed in pursuance of the Local Government Act 1858 Amendment Act 1861), or unless such excluded part has been included in a highway district under the Highway Acts, for all purposes connected with the repairs of highways and the payment of highway rates, be considered to be and be treated as forming part of such district.

Provided also, that in the case of an urban district constituted after the passing of this Act a meeting of owners and ratepayers of the excluded part (to be convened and conducted in the manner provided by schedule III. to this Act) may decide that such excluded part shall be a highway parish, and thereupon the excluded part shall for all purposes connected with highways, surveyors of highways, and highway rates, be con-

To annex thereto the signature of such urban authority ;

To lay the same before the parishioners assembled in vestry ;

To verify before any justices any accounts kept by them of such highway rates ;

and all such accounts shall be audited in all respects in the same way as the other accounts of the urban authority.

Certain acts not required to be done in case of highway rate made by urban authority.

General Provisions as to Urban Rates.

218. Every urban authority, before proceeding to make a general district rate or private improvement rate under this Act, shall cause an estimate to be prepared of the money required for the purposes in respect of which the rate is to be made, showing—

The several sums required for each of such purposes ; and

The rateable value of the property assessable ; and

The amount of rate which for those purposes it is necessary to make on each pound of such value ;

and the estimate so made shall forthwith, after being approved of by the urban authority, be entered in the rate book, and be kept at their office, open to public inspection during office hours thereat ; but it shall not be deemed part of the rate, nor in any respect affect the validity of the same.

Estimate to be prepared before making rates.

219. Any person interested in or assessed to any rate made under this Act may inspect the same, and any estimate made previously thereto, and may take copies of or extracts therefrom without fee or reward ; any person who, having the custody of any such estimate or rate, refuses to allow or does not permit such inspection, or such copies or extracts to be taken, shall be liable to a penalty not exceeding five pounds.

Rates to be open to inspection.

220. Where the name of any owner or occupier liable to be rated under this Act is not known to the urban authority it shall be sufficient to assess and designate him in the rate as "the owner" or "the occupier" of the premises in respect of which the assessment is made, without further description.

Description of owner or occupier in rates.

Rates may be amended.

221. An urban authority may from time to time amend any rate made in pursuance of this Act, by inserting therein the name of any person claiming and entitled to have his name inserted, or by inserting the name of any person who ought to have been assessed, or by striking out the name of any person who ought not to have been assessed, or by raising or reducing the sum at which any person has been assessed, if it appears to the urban authority that he has been under-rated or over-rated, or by making any other alteration which will make the rate conformable to the provisions of this Act; and no such amendment shall be held to avoid the rate.

Provided, that any person who may feel himself aggrieved by any such amendment shall have the same right of appeal therefrom as he would have had if the matter of amendment had appeared on the rate originally made, and with respect to him an amended rate shall be considered to have been made at the time when he first received notice of the amendment; and an amended rate shall not be payable by any person the amount of whose rate is increased by the amendment, or whose name is thereby newly inserted until seven days after such notice has been given to him.

Publication and collection of rates.

222. All rates made or collected under this Act shall be published in the same manner as poor rates, and shall commence and be payable at such time or times, and shall be made in such manner and form, and be collected by such persons, and either together or separately, or with any other rate or tax, as the urban authority may from time to time appoint: Provided that no publication shall be required of any private improvement rate.

224. Where it appears to an urban authority that any premises were sufficiently drained before the construction of any new sewer laid down by them, they may deduct from the amount of rates otherwise chargeable in respect of such premises such a sum for such time as they may under all the circumstances of the case deem just.

Power to reduce or remit rates.

225. An urban authority may reduce or remit the payment of any rate on account of the poverty of any person liable to the payment thereof.

228. Nothing in this Act shall be deemed to alter or interfere with any liability existing at the time of the passing of this Act of the Universities of Oxford and Cambridge respectively to contribute towards the expenses of paving and pitching repairing lighting and cleansing under the powers of any local Act under which the Oxford and Cambridge commissioners respectively act, the several streets and places within the jurisdiction of such commissioners respectively.

Quota of rates to be paid by the Universities, &c.

If any difference arises between either of the said universities and the urban authority with respect to the proportion and manner in which the university shall contribute towards any expenses under this Act, and to which the university is not liable under any such local Act, the same shall be settled by arbitration in manner provided by this Act.

All rates, contributions, and sums of money which may become payable under this Act by the said universities respectively, and their respective halls and colleges, may be recovered from such universities halls and colleges in the same manner in all respects as rates contributions and sums of money may now be recovered from them by virtue of any such local Act.

EXPENSES OF RURAL AUTHORITY.

229. The expenses incurred by a rural authority in the execution of this Act shall be divided into general expenses and special expenses.

Expenses of rural authority.

General expenses (other than those chargeable on owners and occupiers under this Act) shall be the expenses of the establishment and officers of the rural authority, the expenses in relation to disinfection, the providing conveyance for infected persons, and all other expenses not determined by this Act or by order of the Local Government Board to be special expenses.

Special expenses shall be the expenses of the construction maintenance and cleansing of sewers in any contributory place within the district, the providing a supply of water to any such place, and maintaining any necessary works for that purpose, if and so far as the expenses of such supply and works are not defrayed out of water rates or rents under this Act, the charges and expenses arising out of or incidental to the possession of property transferred to the rural authority in trust for any contributory place, and all other expenses incurred or payable by the rural authority in or in respect of any contributory place within the district, and determined by order of the Local Government Board to be special expenses.

Where the rural authority make any sewers or provide any water supply or execute any other work under this Act for

the common benefit of any two or more contributory places within their district, they may apportion the expense of constructing any such work, and of maintaining the same, in such proportions as they think just, between such contributory places, and any expense so apportioned to any such contributory place shall be deemed to be special expenses legally incurred in respect of such contributory place.

The overseers of any contributory place, if aggrieved by any such apportionment, may, within twenty-one days after notice has been given to them of the apportionment, send or deliver a memorial to the Local Government Board stating their grounds of complaint, and the said Board may make such order in the matter as to it may seem equitable, and the order so made shall be binding and conclusive on all parties concerned.

General expenses shall be payable out of a common fund to be raised out of the poor rate of the parishes in the district according to the rateable value of each contributory place in manner in this Act mentioned.

Special expenses shall be a separate charge on each contributory place.

The following areas situated in a rural district shall be contributory places for the purposes of this Act; that is to say,

- (1.) Every parish not having any part of its area within the limits of a special drainage district formed in pursuance of the Sanitary Acts or of this Act, or of an urban district; and
- (2.) Every such special drainage district as aforesaid; and
- (3.) In the case of a parish wholly situated in a rural district, and part of which forms or is part of any such special drainage district as aforesaid, such portion of that parish as is not comprised within such special drainage district; and
- (4.) In the case of a parish a part of which is situated within an urban district, such portion of that parish as is not comprised within such urban district, or within any such special drainage district as aforesaid.

Mode of raising contributions in rural district.

230. For the purpose of obtaining payment from the several contributory places within their district of the sums to be contributed by them, the rural authority shall issue their precept to the overseers of each such contributory place requiring such overseers to pay, within a time limited by the precept, the amount specified in such precept to the rural authority or to some person appointed by them, care being taken to issue separate precepts in respect of contributions for general expenses and special expenses, or to make such expenses respectively separate items in any precept including both classes of expenses.

Where a contributory place is part of a parish as defined by this Act, the overseers of such parish shall for the purposes of this Act be deemed to be the overseers of such contributory place, and where any part of a contributory place is part of a parish the overseers of such parish shall for the like purposes be deemed to be the overseers of such part of such contributory place.

The overseers shall comply with the requisitions of such precept by paying the contribution required in respect of general expenses out of the poor rate of their respective parishes, and with respect to special expenses by raising the contribution required by the levy (in the case of an entire parish on the whole of such parish, and in the case of a contributory place or part of a contributory place forming part of a parish, by the levy on such place, or such part thereof, exclusive of the rest of the parish) of a separate rate in the same manner as if it were a rate for the relief of the poor, with this exception ; (namely,)

That the owner of any tithes, or of any tithe commutation rentcharge, or the occupier of any land used as arable meadow or pasture ground only, or as woodlands market gardens or nursery grounds, and the occupier of any land covered with water, or used as a canal or towing-path for the same, or as a railway constructed under the powers of any Act of Parliament for public conveyance, shall, where a special assessment is made for the purpose of such rate, be assessed in respect of one fourth part only of the rateable value thereof, or where no special assessment is made, shall pay in respect of the said property one fourth part only of the rate in the pound payable in respect of houses and other property :

Provided that where the amount required by any precept or precepts from a contributory place in respect of special expenses is less than ten pounds, or is so small that a rate less than one penny in the pound would be required to raise the same, the overseers shall not assess and levy any special rate for the same, but shall pay the amount as if it formed part of the contribution required from them in respect of general expenses.

A separate rate under this section shall, as respects the powers of the overseers in relation to making assessing and levying such rate, and as respects the appeal against such rate, and all other incidents thereof except the purposes to which it is applicable, and such exemption as aforesaid, and except the allowance of justices, which shall not be required, be subject to the same provisions as apply in law to a rate levied for the relief of the poor ; and the overseers of a parish shall have the same powers of levying such separate rate in a contributory place or part of a contributory place forming part of their parish, as they would have if such contributory place or such part thereof formed the whole of their parish.

Where a contribution for general expenses is required from a contributory place or part of a contributory place which is part of a parish, the overseers shall from time to time levy such increase of rate from the contributory place or such part thereof as may be sufficient to recoup the parish for the sum it has paid on account of the contributory place or such part thereof in respect of general expenses under this Act, and carry the same to the general account of the parish, and such increase of rate shall be raised in such contributory place or part of a contributory place by an addition to the poor rate, or by a separate rate to be assessed made allowed published collected and levied in the same manner as a poor rate. The officers ordinarily employed in the collection of the poor rate shall, if required by the overseers, collect any separate rate made under this section, and receive out of such separate rate such remuneration for the additional duty as the overseers with the consent of the vestry may determine.

The overseers shall at the expiration of their term of office pay any surplus in their hands arising from any separate rate levied in pursuance of this Act, above the amount for which the rate was made, to the rural authority or to such person as they may appoint, to the credit of the contributory place within which or within part of which such rate was made, and such surplus shall go in reduction of the next call that may be made on such contributory place or such part thereof for the purpose of defraying the expenses incurred by the rural authority.

Bemedy for non-payment by overseers of amount required by precept of rural authority.

231. If the amount required by any precept of a rural authority to be paid by the overseers of any parish is not paid in manner directed by such precept, and within the time therein specified for that purpose, the rural authority shall have the like remedy for recovery from the overseers of such amount as is not paid as guardians have for the time being for recovery from overseers of contributions of parishes, and for that purpose the precept of the rural authority requiring the payment shall be conclusive evidence of the amount thereof.

As to private improvement expenses.

232. Whenever a rural authority have incurred or become liable to any expenses which by this Act are, or by such authority may be declared to be private improvement expenses, such authority may make and levy a private improvement rate in the same manner as private improvement rates may be made and levied by an urban authority; and all the provisions of this Act applicable to private improvement rates leviable by an urban authority shall apply accordingly to any private improvement rate leviable by a rural authority.

BORROWING POWERS.

Power to borrow on credit of rates.

233. Any local authority may, with the sanction of the Local Government Board, for the purpose of defraying any costs charges and expenses incurred or to be incurred by them

An urban authority may borrow or re-borrow any such sums on the credit of any fund or all or any rates or rate out of which they are authorised to defray expenses incurred by them in the execution of this Act, and for the purpose of securing the repayment of any sums so borrowed, with interest thereon, they may mortgage to the persons by or on behalf of whom such sums are advanced any such fund or rates or rate.

A rural authority may borrow or re-borrow any such sums, if applied or intended to be applied to general expenses of such authority, on the credit of the common fund out of which such expenses are payable, and if applied or intended to be applied to special expenses of such authority, on the credit of any rate or rates out of which such expenses are payable, and for the purpose of securing the repayment of any sums so borrowed, with interest thereon, they may mortgage to the persons by or on behalf of whom such sums are advanced any such fund rate or rates.

234. The exercise of the powers of borrowing conferred by this Act shall be subject to the following regulations; (namely,)

Regulations as to exercise of borrowing powers.

- (2.) The sum borrowed shall not at any time exceed, with the balances of all the outstanding loans contracted by the local authority under the Sanitary Acts and this Act, in the whole the assessable value for two years of the premises assessable within the district in respect of which such money may be borrowed:
- (3.) Where the sum proposed to be borrowed with such balances (if any) would exceed the assessable value for one year of such premises, the Local Government Board shall not give their sanction to such loan until one of their inspectors has held a local inquiry and reported to the said Board:

The money may be borrowed for such time, not exceeding sixty years, as the local authority, with the sanction of the Local Government Board, determine in each case; and, subject as aforesaid, the local authority shall either pay off the moneys so borrowed by equal annual instalments of principal or of principal and interest, or they shall in every year set apart as a sinking fund, and accumulate in the

- (5.) A local authority may at any time apply the whole or any part of a sinking fund set apart under this Act in or towards the discharge of the moneys for the repayment of which the fund has been established: Provided that they pay into the fund in each year and accumulate until the whole of the moneys borrowed are discharged, a sum equivalent to the interest which would have been produced by the sinking fund or the part of the sinking fund so applied :
- (6.) Where money is borrowed for the purpose of discharging a previous loan, the time for repayment of the money so borrowed shall not extend beyond the unexpired portion of the period for which the original loan was sanctioned, unless with the sanction of the Local Government Board, and shall in no case be extended beyond the period of sixty years from the date of the original loan.

Where any urban authority borrow any money for the purpose of defraying private improvement expenses, or expenses in respect of which they have determined a part only of the district to be liable, it shall be the duty of such authority, as between the ratepayers of the district, to make good, so far as they can, the money so borrowed, as occasion requires, either out of private improvement rates, or out of a rate levied in such part of the district as aforesaid.

The moneys so borrowed shall be applied for purposes for which moneys may be borrowed under this Act; but it shall not be in any way incumbent on the mortgagees to see to the application of such moneys, nor shall they be responsible for any misapplication thereof.

The powers of borrowing conferred by this section shall, where the sums borrowed do not exceed three fourths of the purchase money of such lands (but not otherwise), be deemed to be distinct from and in addition to the general borrowing powers conferred on a local authority by this Act. Any local

authority may pay out of any rates leviable by them for purposes of this Act the interest on any moneys borrowed by such authority in pursuance of this section.

236. Every mortgage authorised to be made under this Act shall be by deed, truly stating the date consideration and the time and place of payment, and shall be sealed with the common seal of the local authority, and may be made according to the form contained in schedule IV. to this Act, or to the like effect. The Local Government Board may after local inquiry make order with respect to the matter in question, and such order shall be binding on the place in respect of which it is made.

274. Any owner or ratepayer who disputes the validity of the vote for the adoption of the resolution may appeal, within six weeks from the declaration of the decision of the meeting, to the Local Government Board, setting forth the grounds on which he disputes the validity of the vote; and the Local Government Board may, on such appeal, after local inquiry, make such order as to the said Board seems fit as to the validity or invalidity of the vote, and any other questions arising on the appeal.

Appeal to Local Government Board in case of alleged invalidity of vote.

But no objection shall be made, at any trial or in any legal proceeding, to the validity of the vote for the adoption of the resolution, or to any order made in pursuance thereof, or to any proceedings on which such order was founded, unless the objector gives fourteen days notice to the other parties interested in such trial or proceeding of his intention to make the same, specifying fully the nature of the objection to be made; and no objection whatever in respect of the matters mentioned in this section shall be admissible at any trial or in any legal proceeding after the expiration of six months from the date of the constitution of the district.

joint board.

283. Any expenses incurred by a joint board in pursuance of this Act, unless otherwise determined by the provisional order, shall be defrayed out of a common fund, to be contributed by the component districts or contributory places in proportion to the rateable value of the property in each district or contributory place, such value to be ascertained according to the valuation list in force for the time being.

If any local authority makes default in complying with the precept addressed to it, the joint board may, instead of instituting proceedings for the recovery of a debt, or in addition to such proceedings as to any part of a debt which may for the time being be unpaid, proceed in a summary manner as in this Act mentioned to raise within the district of the defaulting authority such sum as may be sufficient to pay the sum due.

For the purpose of obtaining payment from contributory places of the sums to be contributed by them, the joint board shall have the same powers of issuing precepts and of recovering the amounts named therein as if such contributory places formed a rural district, and the joint board were the authority thereof.

Districts may be united for appointing a medical officer of health.

286. Where it appears to the Local Government Board, on any representation made to it, that the appointment of a medical officer of health for two or more districts situated wholly or partially in the same county would diminish expense,

or otherwise be for the advantage of such districts, the Local Government Board may by order unite such districts for the purpose of appointing a medical officer of health, and may make regulations as to the mode of his appointment and removal by representatives of the authorities of the constituent districts, and as to the meetings from time to time of such representatives, and the proportion in which the expenses of the appointment and of the salary and expenses of such officer are to be borne by such authorities, and as to any other matters (including the necessary expenses of such representatives) which, in the opinion of the said Board, require regulation for the purposes of this section; and no other medical officer of health shall be appointed for any constituent district, except as an assistant to the officer appointed for the united districts:

Provided that no urban district containing a population of twenty-five thousand and upwards, or (in the case of a borough) having a separate court of quarter sessions, shall be included in any union of districts formed under this section without the consent of the local authority of such district or borough.

of the whole of such port or of any part thereof (in this Act referred to as the "port sanitary authority").

The Local Government Board may also by provisional order permanently constitute a port sanitary authority for the whole or any part of a port, by combining any two or more riparian authorities having jurisdiction within such port, or any part thereof, and may prescribe the mode of their joint action; or by forming a joint board consisting of representative members of any two or more riparian authorities, in the same manner as is by this Act provided with respect to the formation of a united district. Moreover the Local Government Board may by provisional order permanently constitute a port sanitary authority for any two or more ports, by forming a joint board consisting of representative members of all or any of the riparian authorities having jurisdiction within such ports, or any part thereof.

In any case in which the Local Government Board are by this section authorised permanently to constitute by provisional order a port sanitary authority, the said Board may, if it thinks fit, until such order has been made and confirmed by Parliament, temporarily constitute by order any such authority, and may from time to time renew any such last-mentioned order, and may by any order so made or renewed make any such provisions as it is by this section empowered to make by provisional order.

Any order constituting a port sanitary authority may assign to such authority any powers rights duties capacities liabilities and obligations under this Act, and direct the mode in which the expenses of such authority are to be paid; and where such order constitutes a joint board the port sanitary authority, it may contain regulations with respect to any matters for which regulations may be made by a provisional order forming a united district under this Act.

A port shall mean a port as established for the purposes of the laws relating to the customs of the United Kingdom.

Jurisdiction of port sanitary authority.

288. The order of the Local Government Board constituting a port sanitary authority shall be deemed to give such authority jurisdiction over all waters within the limits of such port, and also over the whole or such portions of the district within the jurisdiction of any riparian authority as may be specified in the order.

Delegation of powers by port sanitary authority.

289. A port sanitary authority may, with the sanction of the Local Government Board, delegate to any riparian authority within or bordering on their district the exercise of any powers conferred on such port sanitary authority by the order of the Local Government Board, but, except in so far as such delegation may extend, no other authority shall exercise any powers conferred on a port sanitary authority by the order

of the Local Government Board within the district of such port sanitary authority.

290. Any expenses incurred by a port sanitary authority constituted temporarily in carrying into effect any purposes of this Act shall be defrayed out of a common fund to be contributed by the riparian authorities in such proportions as the Local Government Board thinks just.

Expenses of port sanitary authority.

Such port sanitary authority, if itself a local authority under this Act independently of its character of a port sanitary authority, shall raise the proportion of expenses due in respect of its own district in the same manner as if such expenses had been incurred by it in the ordinary manner for the purposes of this Act.

For the purpose of obtaining payment from the contributory riparian authorities of the sums to be contributed by them, such port sanitary authority shall issue their precept to each such authority, requiring such authority, within a time limited by the precept, to pay the amount therein mentioned to such port sanitary authority, or to such person as such port sanitary authority may direct.

Any contribution payable by a riparian authority to such port sanitary authority shall be a debt due from them, and may be recovered accordingly, such contribution in the case of a rural authority being deemed general expenses of that authority. If any riparian authority makes default in complying with the precept addressed to it by such port sanitary authority, such port sanitary authority may, instead of instituting proceedings for the recovery of the debt, or in addition to such proceedings, as to any part of the debt which may for the time being be unpaid, proceed in the summary manner in this Act mentioned to raise within the district of the defaulting authority such sum as may be sufficient to pay the debt due.

Where several riparian authorities are combined in the district of one port sanitary authority the Local Government Board may by order declare that some one or more of such authorities shall be exempt from contributing to the expenses incurred by such authorities.

291. The mayor aldermen and commons of the city of London shall be the port sanitary authority of the port of London, and shall pay out of their corporate funds all their expenses as such port sanitary authority.

292. Where any port sanitary authority joint board or other authority are authorised, in pursuance of this Act, to proceed in a summary manner to raise within the district of a defaulting authority such sum as may be sufficient to pay any debt due to them, the authority so authorised for the purpose of raising such sum shall, within the district of the

defaulting authority, have, so far as relates to the raising such sum, the same powers as if they were the defaulting authority, and as if such sum were expenses properly incurred by the defaulting authority within the district of such authority.

Where the defaulting authority have power to raise any moneys due for their expenses by levy of a rate from individual ratepayers, the authority so authorised as aforesaid shall have power to levy such a rate by any officer appointed by them, and the officer so appointed shall have the same powers, and the rate shall be levied in the same manner and be subject to the same incidents in all respects as if it were being levied by the officer of the defaulting authority for the payment of the expenses of that authority; and where the defaulting authority have power to raise moneys due for their expenses by issuing precepts, or otherwise requiring payments from any other authorities, the authority so authorised as aforesaid shall have the same power as the defaulting authority would have of issuing precepts, or otherwise requiring payment from such other authorities.

Any precepts issued by the authority so authorised as aforesaid for raising the sum due to them may be enforced in the same manner in all respects as if they had been issued by the defaulting authority.

The authority so authorised as aforesaid may, in making an estimate of the sum to be raised for the purpose of paying the debt due to them, add such sums as they think sufficient, not exceeding ten per cent. on the debt due, and may defray thereout all costs charges and expenses (including compensation to any persons they may employ) to be incurred by such authority by reason of the default of the defaulting authority; and the authority so authorised as aforesaid shall apply all moneys raised by them in payment of the debt due to them, and such costs charges and expenses as aforesaid, and shall render the balance, if any, remaining in their hands after such application to the defaulting authority.

297. With respect to provisional orders authorised to be made by the Local Government Board under this Act, the following enactments shall be made:—

As to provisional orders made by Local Government Board.

- (1.) The Local Government Board shall not make any provisional order under this Act unless public notice of the purport of the proposed order has been previously given by advertisement in two successive weeks in some local newspaper circulating in the district to which such provisional order relates:
- (2.) Before making any such provisional order, the Local Government Board shall consider any objections which may be made thereto by any persons affected thereby, and in cases where the subject matter is one to which a local inquiry is applicable, shall cause to be made a local inquiry, of which public notice shall be given in manner aforesaid, and at which all persons interested shall be permitted to attend and make objections:
- (3.) The Local Government Board may submit to Parliament for confirmation any provisional order made by it in pursuance of this Act, but any such order shall be of no force whatever unless and until it is confirmed by Parliament:

299. Where complaint is made to the Local Government Board that a local authority has made default in providing their district with sufficient sewers, or in the maintenance of existing sewers, or in providing their district with a supply of water, in cases where danger arises to the health of the inhabitants from the insufficiency or unwholesomeness of the existing supply of water, and a proper supply can be got at a reasonable cost, or that a local authority has made default in enforcing any provisions of this Act which it is their duty to enforce, the Local Government Board, if satisfied, after due inquiry, that the authority has been guilty of the alleged default, shall make an order limiting a time for the performance of their duty in the matter of such complaint. If such duty is not performed by the time limited in the

order, such order may be enforced by writ of *Mandamus*, or the Local Government Board may appoint some person to perform such duty, and shall by order direct that the expenses of performing the same, together with a reasonable remuneration to the person appointed for superintending such performance, and amounting to a sum specified in the order, together with the costs of the proceedings, shall be paid by the authority in default; and any order made for the payment of such expenses and costs may be removed into the Court of Queen's Bench, and be enforced in the same manner as if the same were an order of such Court.

Any person appointed under this section to perform the duty of a defaulting local authority shall, in the performance and for the purposes of such duty, be invested with all the powers of such authority other than (save as herein-after provided) the powers of levying rates; and the Local Government Board may from time to time by order change any person so appointed.

300. Any sum specified in an order of the Local Government Board for payment of the expenses of performing the duty of a defaulting local authority, together with the costs of the proceedings, shall be deemed to be expenses properly incurred by such authority, and to be a debt due from such authority, and payable out of any moneys in the hands of such authority or of their officers, or out of any rate applicable to the payment of any expenses properly incurred by such authority, which rate is in this part of this Act referred to as "the local rate." If the defaulting authority refuses to pay any such sum, with costs, as aforesaid, for a period of fourteen days after demand, the Local Government Board may by order empower any person to levy, by and out of the local rate, such sum (the amount to be specified in the order) as may, in the opinion of the Local Government Board, be sufficient to defray the debt so due from the defaulting authority, and all expenses incurred in consequence of the nonpayment of such debt.

Further provision for recovery of expenses.

Any person or persons so empowered shall have the same powers of levying the local rate, and requiring all officers of the defaulting authority to pay over any moneys in their hands, as the defaulting authority would have in the case of expenses legally payable out of a local rate to be raised by such authority; and the said person or persons, after repaying all sums of money so due in respect of the order, shall pay the surplus, if any, (the amount to be ascertained by the Local Government Board,) to or to the order of the defaulting authority.

301. The Local Government Board may from time to time certify the amount of expenses that have been incurred, or an estimate of the expenses about to be incurred, by any

of performing
duty of de-
faulting autho-

person appointed by the said Board under this Act to perform the duty of a defaulting local authority; also, the amount of any loan required to be raised for the purpose of defraying any expenses that have been so incurred, or are estimated as about to be incurred; and the certificate of the said Board shall be conclusive as to all matters to which it relates.

Whenever the Local Government Board so certifies a loan to be required, the Public Works Loan Commissioners may advance to the Local Government Board, or to any person appointed as aforesaid, the amount of the loan so certified to be required on the security of the local rate, without requiring any other security; and the Local Government Board, or the person so appointed, may, by any instrument duly executed, charge the local rate with the repayment of the principal and interest due in respect of such loan, and every such charge shall have the same effect as if the defaulting local authority were empowered to raise such loan on the security of the local rate, and had duly executed an instrument charging the same on the local rate.

Recovery of
principal and
interest.

302. Any principal money or interest for the time being due in respect of any loan under this Act made for payment of the expenses incurred or to be incurred in the performance of the duty of a defaulting local authority shall be taken to be a debt due from such authority, and, in addition to any other remedies, may be recovered in the manner in which a debt due from a defaulting authority may be recovered in pursuance of the provisions of this part of this Act.

The surplus (if any) of any such loan, after payment of the expenses aforesaid, shall, on the amount thereof being certified by the Local Government Board, be paid to or to the order of the defaulting authority.

“Expenses,” for the purposes of the provisions of this part of this Act relating to defaulting local authorities, shall include all sums payable under those provisions by or by the order of the Local Government Board, or the person appointed by that Board.

Powers of Board in relation to Local Acts, &c.

and alter local
Acts.

Any such provisional order may provide for the extension of the provisions of the local Act referred to therein beyond the district or districts within the limits of such Act, or for

the exclusion of the whole or a portion of any such district from the application of such Act ; and may provide what local authority shall have jurisdiction for the purposes of this Act in any area which is by such order included in or excluded from such district.

304. On the application of any authority from whom or to whom any powers rights duties capacities liabilities obligations and property, or any of them, are at any time transferred or alleged or claim to be transferred in pursuance of this Act, or any provisional order made thereunder, or on the application of any person affected by such transfer, the Local Government Board may by order settle any doubt or difference, and adjust any accounts arising out of or incidental to such powers rights duties capacities liabilities obligations or property, or to the transfer thereof, and direct the parties by whom and to whom any moneys found to be due are to be paid, and the mode of raising such moneys ; and any provisions contained in any order so made shall be deemed to have been made in pursuance of and to be within the powers conferred by this section, subject to this proviso, that where any such order directs any rate to be made, or other act or thing to be done, which the party required to make or do would not, apart from the provisions of this Act, have been enabled to make or do by law, such order shall be provisional only until it has been confirmed by Parliament.

Settlement of differences arising out of transfer of powers or property to local authority.

Any settlement or adjustment under this section may be included in any provisional order which gives rise to the same.

A person shall not be qualified to be a member of a local board unless he is at the time of his election, and so long as he continues in office by virtue of such election, resident within the district for which or for part of which he is elected, or within seven miles thereof, and is seised or possessed of real or personal estate, or both, to the value of not less than five hundred pounds in districts containing less than twenty thousand inhabitants, or to the value of not less than one thousand pounds in districts containing twenty thousand or more inhabitants; or is rated to the relief of the poor of such district, or of some parish within the same, on an annual value of not less than fifteen pounds in districts containing less than twenty thousand inhabitants, or on an annual value of not less than thirty pounds in districts containing twenty thousand or more inhabitants.

8. No person entitled to vote shall give in the whole of the wards a greater number of votes than he would have been entitled to give if the district had not been divided into wards, nor in any one ward a greater number of votes than he is entitled to in respect of property in that ward.

27. For the purpose of enabling the chairman to determine the validity of claims and objections he may examine such persons and call for such evidence from the persons making the same as he may think fit ; any person may tender himself to be examined ; but no person shall be entitled to be examined or to be heard before the chairman in support either of a claim or an objection.

28. Not later than the sixteenth of March the chairman shall close the revision and sign the revised register, and that register shall continue in force for the twelve months next ensuing.
