CHAPTER 89.

An Act to amend and extend the Sanitary Laws.

[7th August 1874.]

WHEREAS it is expedient that the Sanitary Acts should be explained and amended, and that sundry other provisions should be made to extend the same :

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

Explanation and Amendment of Public Health Act, 1872.

Rural sanitary authority and board of guardians declared to be the same authority.

1. It is hereby declared that the rural sanitary authority is the same body as the board of guardians of the union or parish for or within which such authority acts, and that all statutes, orders, and legal provisions applicable to a board of guardians apply to them when acting as such rural sanitary authority, except so far as any provision of the Public Health Act, 1872 (herein termed the principal Act), relating to the acting or voting of a guardian or otherwise, may be to the contrary.

Where first meeting not held in accordance with 35 & 36 Vict. c. 79. s. 6.

2. Where any sanitary authority shall be acting in the execution of the said Act, their proceedings, from the time when they have so acted or shall hereafter so act, shall be deemed, if otherwise not invalid, to be legal, notwithstanding that a first meeting was not held by them in accordance with section six of the said Act ; and their first meeting after the passing of the said Act shall be deemed their first meeting within the meaning of the seventh, eighth, and ninth sections of that Act.

3. Whereas doubts have arisen as to the extent and meaning of the seventh section of the principal Act: Be it therefore declared and enacted, that the provisions of the said section shall be deemed to have applied to every authority acting at the time of the passing of the principal Act under the powers conferred upon them by a Local Act with respect to any sanitary purposes, and that all the powers, rights, duties, capacities, liabilities, and obligations of any authority having jurisdiction under a Local Act in the district of an urban sanitary authority at the time of the passing of the principal Act, so far as they or any of them related to such purposes, were transferred to and became attached to the urban sanitary authority therein referred to.

The transfer of powers of sanitary authorities applies to authorities under local Acts.

Provided that where any body of turnpike trustees have powers for any such sanitary purposes as aforesaid under a Local Act, such trustees shall not be deemed to be an urban sanitary authority, but all their powers and obligations under such Acts for such purposes shall be transferred to the sanitary authority within whose district the area to which the Local Act applies shall be locally contained.

Proviso as to certain turnpike trustees.

Provided that all acts, matters, rates, orders, or other things heretofore done, performed, assessed, or made by any authority under any Local Act in this section referred to, or commenced and not completed at the time when this Act shall come into operation, shall be legal, notwithstanding the said enactment, if not otherwise invalid.

4. It is also further declared and enacted, that the transfer of property provided for in section nine of the principal Act applies to the property of the authority acting under the powers conferred upon them by a Local Act for sanitary purposes, so far as such property is held for such purposes.

Transfer of property in such cases.

Provided that the dealing of any such authority with property previously vested in them before the passing of this Act, and not already brought into question in any court of law, shall be valid, notwithstanding the principal Act or this section.

5. Whereas provision is made in the tenth section of the principal Act for the joint appointment of certain officers for two or more sanitary districts, but the mode of making such joint appointment is not prescribed: When, therefore, two or more sanitary authorities agree to join in the appointment of a medical officer of health or inspector of nuisances, the Local Government Board, if they approve of the agreement, shall, by order, prescribe the manner in which such officer shall be elected by the authorities so joining in the appointment, and determine the proportions in which the reasonable expenses of and incident to such election shall be borne by such authorities respectively.

Provision for the joint appointment of officers.

Assistant clerk
may be ap-
pointed instead
of clerk.

6. If the clerk to the board of guardians of any union or parish be unwilling or incompetent to act for them in discharge of their duties as rural sanitary authority, they may appoint their assistant clerk to act for them as their clerk in such matters, with remuneration as in the principal Act is provided.

Parochial com-
mitteeman's
qualification.

7. The qualification, so far as regards rating, of a member of the parochial committee authorised to be appointed by the rural sanitary authority in any parish or contributory place where no separate rate is in force for sanitary purposes shall be that he shall contribute or be liable to contribute to the poor rate in such parish or contributory place.

Provision as to
their expenses.

A parochial committee may be empowered by the rural sanitary authority to incur expenses to such amount as shall be prescribed by such authority, but must not exceed such amount.

Of parochial
expenses.

It shall report the expenditure so incurred from time to time to the authority, according to the directions of such authority; and the amount so reported, if otherwise legally incurred, shall be discharged by the authority as other demands upon it are discharged.

Expenses in
urban sanitary
authority.

8. Whereas doubts have arisen as to the meaning of the proviso to the sixteenth section of the principal Act, with reference to the rate therein mentioned as a rate levied within the district: Be it therefore declared, that such rate shall signify one which is levied throughout the whole of the district.

Provided that where any charges to which that section refers have been defrayed out of any rate before the passing of this Act, the same, if not heretofore questioned in any court of law, shall be deemed to have been legally defrayed, so far as any objection could arise out of the proviso in this section referred to.

Provided further, that when any charges directed by the said sixteenth section of the principal Act to be paid in the case of a council of a borough out of the borough fund or borough rate have been hitherto divided between the landlord and tenant in moieties or otherwise, under the provisions of any Local Act in that behalf, the Local Government Board may, upon application, by their order, make provision for the continuance of such division of the charges between parties during the continuance of any contract existing at the passing of the Act.

Provisional
order may
change inci-
dence of
charge.

9. If application be made to the Local Government Board, whereby it shall be alleged that it would be inequitable or inconvenient in the district of any urban sanitary authority that the expenses referred to in the said sixteenth section of the principal Act should be borne as therein provided, the said Board may, after inquiry by a provisional order, alter the

incidence of such charge in respect of the whole or some of the expenditure referred to, as to them shall appear to be fair and equitable.

10. Special expenses, as defined by section seventeen of the principal Act, shall include the expenses of the maintenance and cleansing of sewers and streets, of providing, repairing, and cleansing public wells, tanks, cisterns, and pumps, of lighting, where duly authorised, in any contributory place, and the charges or expenses arising out of or incidental to the possession of property transferred to the rural sanitary authority in trust for any parish, district, or contributory place. Special expenses.

11. Whereas the amount of charges for special expenses is sometimes so small in contributory places that no special rate could be conveniently assessed for the same: Where, therefore, the amount required in respect of special expenses in any one year is less than ten pounds, or is so small that a rate less than one penny in the pound would be required to raise the same, the overseers shall not assess and levy any special rate for the same, but shall pay the same out of the poor rate. Provision for special expenses of small amounts.

12. Where a sanitary authority is constituted a port sanitary authority for any port which contains more than one riparian authority, every riparian authority, other than the port authority itself, shall, if authorised by the order of the Local Government Board to do so, send to the meetings of the port sanitary authority, as representative or representatives of such riparian authority, some member or members of their own board, and such representative members shall be empowered to act as part of the board of the port sanitary authority in respect of all matters entrusted to such authority. Riparian authorities to have representatives on port sanitary board.

The number of members to be assigned to each riparian authority shall be determined by the Local Government Board; and such Board may, by order, unite two or more riparian authorities for the election of one representative, and determine the mode of such election.

13. Where several riparian authorities are combined in the district of one port authority the Local Government Board may declare that some one or more of such authorities shall be exempt from contributing to the expenses incurred by such authorities. Riparian authority may be exempted from contribution.

14. The Local Government Board may combine the sanitary authorities of several ports into one body to form a port sanitary authority for a district, and assign to such authority a title, and otherwise proceed as in the case of a port sanitary authority provided for by the twentieth section of the principal Act. The sanitary authorities of several ports may be combined.

And such combination shall be a united district, to which all the provisions of the said Act which relate to such a

district shall apply, except the necessity for the previous application to the Local Government Board and the previous inquiry.

Provisional orders for dissolution of districts.

15. When the Local Government Board propose by an order to dissolve a district, to detach part of an existing district, and to form another district out of the dissolved district and such other part, they may do so by one provisional order.

And when they form an urban sanitary district under section twenty-four of the principal Act, they may, by the order constituting the district, if they see fit, divide the district into wards for the election of members.

Provisional orders under sect. 33. of 35 & 36 Vict. c. 79.

16. The Local Government Board may, when applied to by the sanitary authority for the alteration or amendment of any Local Act under section thirty-three of the principal Act, extend the provisions of any Local Act therein referred to beyond the boundaries of the district comprised therein, or diminish the area to which such Local Act shall apply, by provisional order.

Extension of 35 & 36 Vict. c. 79. s. 39. as to adjustment of accounts.

17. The thirty-ninth section of the principal Act, which provides for the adjustment of accounts, shall apply to cases of transfer or alleged transfer subsequent to the passing of the said Act, made by the operation of that Act, or under any provisional order of the Local Government Board, and such Board may include any settlement or adjustment made in accordance with such section in any provisional order which may give rise to the same.

Compensation to officers deprived by any provisional order.

18. The power of awarding compensation to officers conferred by the thirty-third section of the principal Act shall be extended to officers who may be deprived of their office by reason of that Act or of any provisional order made under the authority thereof.

Amendments of other Sanitary Acts. Powers and Duties of Sanitary Authorities.

Expenses of police officer acting under 29 & 30 Vict. c. 90. s. 16. provided for.

19. Where, under the directions of the Local Government Board, the chief officer of police in any place institutes proceedings under the sixteenth section of the Sanitary Act, 1866, he shall be entitled to recover from the authority in default all such expenses in and about such proceedings as he may incur, and as shall not be paid by the party proceeded against.

Order against a defaulting sanitary authority may be enforced by mandamus.

20. When the Local Government Board shall have at any time made any order under the forty-ninth section of the Sanitary Act, 1866, limiting the time for the performance by any authority of its duty, such order may be enforced by writ of mandamus, notwithstanding the provision in the said

section contained for the performance of the duty in the event of the continued default of the sanitary authority.

21. Every urban sanitary authority, and every rural sanitary authority who shall have been invested with the requisite powers, shall, when the Local Government Board by order so direct, make due provision for the proper cleansing of streets, the removal of house refuse from premises, and the cleansing of earth closets, privies, ashpits, and cesspools within its district.

Duty of urban authority to cleanse streets, privies, and ashpits.

If any sanitary authority having made such provision fail, without reasonable excuse, after notice in writing from the occupier of any house situated in such district requiring such authority to remove any house refuse, or to cleanse any earth closet, privy, cesspool, or ashpit belonging to such house, or used by the inmates or occupiers thereof, to cause the same to be removed or cleansed, as the case may be, within seven days, the sanitary authority shall on summary conviction be liable to pay to the occupier of such house a penalty not exceeding five shillings for every day during which such default continues after the expiration of the said period.

Penalty on neglect of sanitary authority to cleanse privies or ashpits.

Constitution and Election of Local Boards.

22. When an owner shall have made or shall hereafter make a claim to vote in any matter to which the Sanitary Acts apply, and shall have sent in his claim according to the provisions applicable thereto, such claim, if legally valid otherwise, shall remain in force for all occasions, so long as the owner shall continue to be qualified to vote as owner, unless he shall withdraw the same.

Statements of owners to remain available for all subsequent proceedings.

And the appointment of a proxy authorised to be given by any of the said Acts shall continue in force for all occasions, until revoked, or the proxy resign, or the qualification of the corporation, company, or body making the appointment shall cease.

Appointments of proxies.

23. The local board shall cause a register to be made and kept, and from time to time revised, in which shall be entered the names, addresses, and qualifications of the owners making claims, and the names or descriptions, addresses, and qualifications of the bodies appointing the proxies, and the names and addresses of such proxies; and such register shall be open to the inspection of candidates and other persons interested at any election, or in any question at which any such owner or proxy claims to vote, subject to such rules as the returning officer or chairman may prescribe for the prevention of loss, injury, or disorder.

And where any dispute shall exist as to the boundaries of adjoining districts, the said board may, upon the application of the boards interested therein, after local inquiry, make an order to settle the same, and shall publish such order when made in one or more newspapers circulating in the respective districts.

Such order, from a date to be appointed therein, shall be conclusive upon the question to which it relates.

Provision for uniform election of boards in March.

26. Whereas it is advisable that there should be uniformity in the time at which all local boards formed under any of the Sanitary Acts shall annually commence their term of office:

Now therefore, henceforth the last day for receiving nominations for every local board heretofore or hereafter constituted under any provision of the Sanitary Acts or any Act embodying the provisions thereof, except in the district of Oxford, shall be the twenty-sixth day of March in every year; but if the twenty-sixth day of March be Sunday, Good Friday, or Easter Monday, the last day for receiving such nominations shall be the twenty-seventh day of March, or if it be Easter Sunday, such last day shall be the twenty-eighth day of March, and in any of these events the days for all the subsequent proceedings of the election shall be settled accordingly, in conformity with the intervals provided by the above-mentioned Acts, and the day of election shall in all cases be the day appointed in the notice for the collection of the voting papers.

For the purposes of such inquiry, the said justices may cause the water to be analysed at the cost of the sanitary authority applying.

And all the expenses incurred by such authority in and about the procuring of this order, and in carrying it into execution, shall be charged upon the funds applicable to their general expenditure, but, in the case of a rural sanitary authority, shall be deemed to be special expenses within the meaning of the Sanitary Acts.
